RE: Colton Telephone Company Tariff P.U.C. Or. No. 5, Advice Letter 11 – Access Service

Dear Filing Center:

Please find the following revisions to Colton Telephone Company’s Tariff P.U.C. Or. No. 5, Access Service.

<u>Revised Tariff Sheets</u>	<u>Total Number of Sheets</u>
9th Revised Sheet Nos. 1, 4, 5, 6	4

This filing is made in compliance with the Federal Communication Commission’s (FCC) Order 20-143; Part 51 – Interconnection; Subpart M – 8YY Transition; §51.909 Transition of rate-of-return carrier access charges; Step 3. The FCC Order further established a three step glidepath reduction to a uniform, nationwide toll free database query rate. Step 3 requires interstate and intrastate originating End Office Access Service rate elements for Toll Free Calls to be reduced by one-half. It also requires the rates for intrastate and interstate Toll Free Database Query Charges to be reduce by one-half to the transitional rate of \$0.0002 per query set forth in paragraph (o)(2) of 47 CFR §51.909. Colton proposes a reduction to the required rate level.

It is requested that this filing become effective July 1, 2022.

Please date stamp a copy of this transmittal and return it to us for our records.
