RE: Advice No. 20-07, IBEW Local 125 Labor Rate Update

Portland General Electric Company (PGE) submits this filing pursuant to Oregon Revised Statutes 757.205 and 757.210, and Oregon Administrative Rules 860-022-0025 and 860-022-0030, for filing proposed tariff sheets associated with Tariff P.U.C. No. 18, with a requested effective date of **May 5, 2020**:

Eighteenth Revision of Sheet No. 91-8
Fourth Revision of Sheet No. 95-7
Twentieth Revision of Sheet No. 300-1
Thirteenth Revision of Sheet No. 491-8
Fourth Revision of Sheet No. 495-7
Twenty Third Revision of Sheet No. 591-7
Fifth Revision of Sheet No. 595-5

Annually, the Labor Rates are adjusted per the Collective Bargaining Agreement with IBEW, Local 125. As a result of this most recent Labor Rate update, Schedules 91, 95, 491, 495, 591 and 595 have a \$37 increase per hour to the Overtime Labor Rate and the Straight Time Labor Rate have a \$23 increase per hour. The Labor Rate applies to municipalities, and state and federal agencies who have PGE streetlighting service or use PGE equipment for streetlighting under Schedules 91, 95, 491, 495, 591 and 595. Specifically, the Labor Rate applies to the charges for replacement of luminaires.

This filing also updates the "Other than Scheduled Crew Hours" billing rate for trouble calls in Schedule 300. PGE inadvertently hadn't updated the current \$170.00 per hour charge since it became effective in March 2004. The rate is now \$254 per the Collective Bargaining Agreement. Also, the footnote is updated to match PGE Scheduled Crew Hours.

To satisfy the requirements of Oregon Administrative Rules (OAR) 860-022-0025 and 860-022-0030, PGE provides the following responses:

These labor rates provide the basis upon which to charge the labor to replace non-repairable luminaires owned by Customers. PGE has approximately 200 Customers on the above listed Schedules. The revenue from this change depends on the number of replacements each year and the number of trouble calls that require after-hours crews.

A work paper supporting the labor rates in the tariff schedules is attached.
