

November 20, 2015

The Honorable Commissioners Ackerman, Bloom and Savage Public Utility Commission of Oregon 201 High Street SE, Suite 100 Salem, OR 97301-3612

Attn: Joan Grindeland

Dear Members of the Commission:

Attached for electronic filing is Advice No. 15-016 for United Telephone Company of the Northwest, Price List No. 102. This filing is submitted with a November 20, 2015 issue date and a proposed effective date of November 22, 2015.

The following revisions are included in this filing:
Section 3 1st Revised Page 4

This filing deletes the CenturyLink Convenience Fee Charge previously assessed by CenturyLink when customers complete one-time payments with the assistance of a live CenturyLink customer representative. CenturyLink is no longer accepting debit card or credit card payments directly; all such payments are being handled through a third party vendor. Customers choosing to make one-time payments through the Company's third party vendor will incur a fee assessed by the vendor; CenturyLink does not receive any portion of the fee.

CenturyLink offers the following non-chargeable payment options: electronic payment by check, autopayment plans, and an automated payment system via telephone. Also, credit or debit card payments for a deposit, advance payment, recurring payment and payments made through the Company's retail locations are not subject to the convenience fee. Customers have been notified by bill message of this change and will also be notified of the charges that will be assessed by the third party vendor prior to the completion of a payment transaction.

If you have questions or need additional information regarding this filing, please contact me at the number below.

Sincerely,

Dawn Salaver
