**RE: Advice No. 21-003 / UM 1930—Community Solar Program Purchase Agreement Revisions**

On January 11, 2021, PacifiCorp d/b/a Pacific Power (PacifiCorp or the Company) filed with the Public Utility Commission of Oregon (Commission) Advice 21-002<sup>1</sup> proposing revisions to both Schedule 127, Community Solar Program – Option Participation for Qualifying Customers (Schedule 127), and its Community Solar Program (CSP) Purchase Agreement. To allow for Commission Staff to consider the revisions to Schedule 127 and the CSP Purchase Agreement separately, on January 27, 2021, PacifiCorp resubmitted the revised CSP Purchase Agreement for filing in Advice 21-003 and docket UM 1930 with an effective date of February 24, 2021. PacifiCorp has previously filed to modify the requested effective date for the proposed CSP Purchase Agreement revisions. The current requested effective date is April 21, 2021. The Commission currently expects to consider the proposed CSP Purchase Agreement revisions at the June 1, 2021 public meeting. Accordingly, the Company submits this filing to modify the requested effective date for its proposed CSP Purchase Agreement revisions to June 2, 2021.
