**RE: Supplemental Filing of Advice No. 15-09, Rule C Customer Attachment to Facilities**

Portland General Electric (PGE) submits this Supplemental Filing pursuant to Oregon Revised Statutes 756.010(8) and 757.205. PGE initially filed Advice No. 15-09 on April 3, 2015, with a requested effective date of May 20, 2015, which remains the same. PGE submits this Supplemental Filing to: a) correct the title of Section 7(D) by removing the word 'Additional', b) correct Section 7(D)(2) to reflect the appropriate condition of conversion, rather than relocation, making this section consistent with OAR 860-022-0046 Forced Conversion of Electric and Communication Facilities for which Section 7(D)(2) applies, and c) adding Rule I Section references to Section 7(D)(2) for ease in identifying conversion cost responsibilities. Lastly, PGE corrects Page 3 of its cover letter to redirect readers to Section 7(D) 1, 2, and 3, rather than Section 7(C), 1, 2, and 3 for 'Exceptions to General Rule'. For convenience, PGE includes a redline version for the two tariff sheets listed below in Attachment A.

Enclosed are the following replacement sheets:

First Revision of Sheet No. C-12  
First Revision of Sheet No. C-13

All other sheets remain as previously filed.

Please direct any questions regarding this filing to Terri Bowman at (503) 464-8854. Please direct all formal correspondence and requests to the following email address [pge.opuc.filings@pgn.com](mailto:pge.opuc.filings@pgn.com)

Sincerely,

A handwritten signature in blue ink, appearing to read "Karla Wenzel", is written over a light blue horizontal line.

Enclosures

- 1) The Company's overall project can generally be scheduled during Scheduled Crew Hours (excluding load transfers which may need to be performed outside of normal work hours) unless applicable regulations or ordinances specify otherwise; and (M)  
(C)  
(C)
- 2) The Public Works Project does not require the Company to relocate all or part of the same Facilities relocated for a prior Public Works Project within two years of the relocation request or order for such prior Public Works Project, unless an applicable franchise agreement specifies different conditions. (C)(N)  
(N)
- C. **Easement**  
Notwithstanding any language in this Rule to the contrary, the requesting party will bear the costs for permanently relocating Facilities that at the time of the request are located on a private easement or governed by some other private right granted to or obtained by the Company regardless of status as qualifying Public Works Project or otherwise. (C)  
(C) (M)
- D. **Exception to General Rule in Section 7.A.** (D)  
(C)
- (1) If the necessary work can be performed by Company crews in a single trip to the requesting party's Premises during Scheduled Crew Hours (7:00 a.m. to 3:30 p.m., Monday through Friday, except Company recognized holidays) and subject to subsection D(2) below, the Company will bear the cost of relocation, rearrangement or removal of overhead or underground Facilities on or adjacent to the Premises, under any one of the five circumstances listed below: (C)  
(C)
- a. Such Facilities are idle, meaning not receiving Electricity Service for more than six months, except in the case of conversion from overhead to underground service; or (D)  
(T)
- b. The location of such Facilities in the street area deprives the requesting party of reasonable ingress to or egress from the Premises, provided such Facilities are not on a property line or a property line extended plus or minus one foot. Generally, one driveway is considered reasonable ingress or egress; or (T)  
(C)

- c. Such Facilities occupy space on the requesting party's Premises that will be used for an expansion of the requesting party's building or plant. In these cases, the Line Extension Allowance will apply for the expansion. Such line extension will be based on the annual kilowatt hours to be served by the Company at the rate listed in Rate Schedule 300. The Customer will bear the costs exceeding the Line Extension Allowance; or (T) (M)  
(N)  
(N)
  - d. The purpose is to relocate a meter to a more accessible location approved by the Company; or (T)
  - e. Relocation of a service drop is the only work requested, subject to additional cost allocations specified in Rule I. (T)(C)
- (2) For conversions of overhead facilities to underground facilities that are not covered by OAR 860-022-0046, the requesting party is responsible for the conversion costs as described in Rule I(3)(b)(1) and (6). (C) (M)  
(D)  
(N)
- 3) All work must be performed by Company crews during Scheduled Crew Hours as specified in Section D(1) above, unless applicable regulations or ordinances specify otherwise. If there are no applicable regulations or ordinances that specify otherwise, and other than Scheduled Crew Hours are requested, the requesting party must pay for all costs plus loadings incurred by the Company.
- F. Temporary Relocations (N)
- 4) The requesting party will bear the costs of temporary relocation when, for clearance reasons or otherwise, the Company is required to temporarily move its Facilities, either because the Company cannot move its Facilities to the new permanent placement or the Facilities will be returned to their former location at a later point in time, unless a private agreement specifies different cost responsibilities or the temporary relocation is covered by Section B. A temporary relocation is defined as any relocation where the Company must move its facilities two or more times within a three-year period. (T)  
(C)

PGE Supplemental Filing  
to Advice No. 15-09

Attachment A

Red-Lined Tariff Sheets  
Pages C-12 and C-13 only

- 1) The Company's overall project can generally be scheduled during Scheduled Crew Hours (excluding load transfers which may need to be performed outside of normal work hours) unless applicable regulations or ordinances specify otherwise; and
- 2) The Public Works Project does not require the Company to relocate all or part of the same Facilities relocated for a prior Public Works Project within two years of the relocation request or order for such prior Public Works Project, unless an applicable franchise agreement specifies different conditions.

C. **Easement**

Notwithstanding any language in this Rule to the contrary, the requesting party will bear the costs for permanently relocating Facilities that at the time of the request are located on a private easement or governed by some other private right granted to or obtained by the Company regardless of status as qualifying Public Works Project or otherwise.

D. **Additional Exception to General Rule in Section 7.A.**

- (1) If the necessary work can be performed by Company crews in a single trip to the requesting party's Premises during Scheduled Crew Hours (7:00 a.m. to 3:30 p.m., Monday through Friday, except Company recognized holidays) and subject to subsection D(2) below, the Company will bear the cost of relocation, rearrangement or removal of overhead or underground Facilities on or adjacent to the Premises, under any one of the five circumstances listed below:
  - a. Such Facilities are idle, meaning not receiving Electricity Service for more than six months, except in the case of conversion from overhead to underground service; or
  - b. The location of such Facilities in the street area deprives the requesting party of reasonable ingress to or egress from the Premises, provided such Facilities are not on a property line or a property line extended plus or minus one foot. Generally, one driveway is considered reasonable ingress or egress; or

- c. Such Facilities occupy space on the requesting party's Premises that will be used for an expansion of the requesting party's building or plant. In these cases, the Line Extension Allowance will apply for the expansion. Such line extension will be based on the annual kilowatt hours to be served by the Company at the rate listed in Rate Schedule 300. The Customer will bear the costs exceeding the Line Extension Allowance; or
  - d. The purpose is to relocate a meter to a more accessible location approved by the Company; or
  - e. Relocation of a service drop is the only work requested, subject to additional cost allocations specified in Rule I.
- (2) For ~~underground relocations conversions of overhead facilities to underground facilities that are not covered by OAR 860-022-0046, unless the Company is required to collect the conversion costs from customers in accordance with OAR 860-022-0046,~~ the requesting party is responsible for the conversion costs as ~~that term is defined in OAR 860-022-0046~~ described in Rule I(3)(b)(1) and (6).
- 3) All work must be performed by Company crews during Scheduled Crew Hours as specified in Section D(1) above, unless applicable regulations or ordinances specify otherwise. If there are no applicable regulations or ordinances that specify otherwise, and other than Scheduled Crew Hours are requested, the requesting party must pay for all costs plus loadings incurred by the Company.

**F. Temporary Relocations**

- 4) The requesting party will bear the costs of temporary relocation when, for clearance reasons or otherwise, the Company is required to temporarily move its Facilities, either because the Company cannot move its Facilities to the new permanent placement or the Facilities will be returned to their former location at a later point in time, unless a private agreement specifies different cost responsibilities or the temporary relocation is covered by Section B. A temporary relocation is defined as any relocation where the Company must move its facilities two or more times within a three-year period.
