COMMODITY RATE

| Commodity Rate | Per | Number Of Units | Unit Of Measure | Base Usage Allowance | Unit Of Measure |
|----------------|-----|-----------------|-----------------|----------------------|-----------------|
| \$.95 | Per | 100 | Cubic Feet | None | Cubic Feet |

SPECIAL PROVISIONS:

1. Water used during the construction of buildings, etc., shall be metered, whenever practical. Charges shall be made at the rates specified in this schedule. When setting of a meter is impractical, the amount of water used shall be estimated, and the charges shall be made at specified rates for the amounts so estimated.
2. City of Bend residents will be charged a monthly City franchise fee based off of a monthly total of all accounts recognized by the Oregon P.U.C. to set Avion's rates.
