Dear Commissioners:

Attached for electronic filing are AMENDED tariff sheets for the Qwest Corporation d/b/a CenturyLink QC P.U.C. Oregon No. 33 Exchange and Network Services Tariff package that was originally submitted on January 24, 2019 to become effective on March 1, 2019. The following pages are included:

<u>Section</u>	<u>Sheet</u>	<u>Revision</u>
5	2	2nd
5	4	1st

As previously discussed with Stephen Hayes of the Oregon Public Utility Commission, the new EAS Rate Band Designation for Athena-Weston is corrected and the following statement is deleted as it no longer applies: Rate group assignment is not related to Extended Area Service Pricing.

The control list has also been revised with a corrected rate for Business EAS Flat Rate - Band A3.

If you have any questions regarding this filing, please contact Phil Grate at (206) 345-6224.

Sincerely,

A handwritten signature in black ink that reads "Robyn Crichton".
