Transmittal No. 2018-007-PL (Supplement)

Oregon Public Utility Commission
201 High St. SE
Salem, OR 97301-3612

Attention: Joan Grindeland, Tariff Coordinator

Dear Commissioners:

Qwest Corporation d/b/a CenturyLink QC is filing this supplemental letter to revise its original letter filed on November 29th under Transmittal No. 2018-007-PL. Based on advice from the Oregon PUC Staff this filing should be filed Pursuant to OAR 860-032-0020 Section 8.

In this filing CenturyLink QC is seeking to discontinue its Ethernet with Extended Transport (EwET) application under Metro Optical Ethernet (MOE). As of November 30, 2018, EwET will no longer be available to new customers. There are currently no existing intrastate EwET customers in Oregon and the equipment associated with these services has been discontinued by the manufacturer.

CenturyLink QC respectfully requests that this proposed change become effective November 30, 2018.

If there are any questions, please contact me.

Yours very truly,
