RE: Advice No. 19-003—Withdrawal of Errata Filing

On March 11, 2019, PacifiCorp d/b/a Pacific Power filed revised tariff sheets in compliance with Order No. 19-077 to implement staff's recommended modifications to PacifiCorp's Quarterly Meter Reading Program. After submitting the compliance filing it was determined that some of the language in proposed Rule 8 contained typographical errors, so on March 26, 2019, PacifiCorp submitted an errata filing with corrections to tariff sheet Rule 8.

After the submission of the errata filing, Staff reached out to PacifiCorp, and it was determined that these changes were not appropriate for an errata filing. As a result, the company respectfully requests to withdraw its March 26, 2019 errata filing. PacifiCorp submitted Advice No. 19-006 on March 29, 2019, to correct the typographical errors from the March 11, 2019 compliance filing.

Please direct inquiries to Cathie Allen, Regulatory Affairs Manager, at (503) 813-5934.

Sincerely,

Etta Lockey
Vice President, Regulation
