**RE: Withdrawing Advice No. 09-15, Annual Power Cost Variance Mechanism**

PGE filed Advice No. 09-15 on July 1, 2009, with a requested effective date of January 1, 2010. The filing established the prices associated with the 2008 Power Cost Variance (2008 PCV). The proposed Schedule 126 rates were set to zero reflecting the anticipated expiration of the current Schedule 126 credit and incorporation of the 2008 PCV amount. The Commission issued Order No. 09-434 on October 30, 2009, which adopted PGE's proposal regarding the 2008 Power Cost Variance and allowed PGE to revise the Schedule 126 rates to amortize any remaining balance.

On November 16, 2009, PGE filed Advice No. 09-23, Annual Power Cost Variance Mechanism in compliance with Order No. 09-434. The filed Schedule 126 tariff sheets reset the price to a small credit in order to refund the projected remaining balance at year-end 2009. PGE now **withdraws** Advice No. 09-15.

Please direct any questions regarding this filing to Marc Cody at (503) 464-7434.

Please direct all formal correspondence and requests to the following email address [pge.opuc.filings@pge.com](mailto:pge.opuc.filings@pge.com)

Sincerely,

A handwritten signature in black ink, appearing to read "R. J. Dahlgren", with a long horizontal line extending to the right.
