RE: Docket No. ADV 206/Advice No. 16-01

On January 29, 2016, Northwest Natural filed revised sheets for inclusion in its tariff, PUC OR No. 25.

This filing revises Schedule 320, Oregon Low-Income Energy Efficiency Program (OLIEE), to enhance program resource levels in an effort to increase the number of low-income gas homes that are weatherized each year.

In accordance with a decision of the Commission in the Public Meeting of February 23, 2016, these sheets will become effective with service rendered on and after March 1, 2016.

One receipted copy of each sheet is returned for your files.
