RE: Docket No. ADV 550, Advice No. 2137

On April 13, 2017, Qwest filed revised sheets for inclusion in its tariff, PUC OR No. 33.

This filing standardizes the process and timeline for acceptance of a customer-requested service date for services that require treatment, equipment or engineering design during the provisioning process (ISDN-PRI, DS1, Private Line, Foreign Exchange Service).

In accordance with a decision of the Commission in the Public Meeting of May 16, 2017, the sheets filed under Advice No. 2137 will become effective with service rendered on and after May 22, 2017.

One receipted copy of each sheet is returned for your files.
