ORDER

DISPOSITION: CANCELLATION ORDER RESCINDED

On November 10, 1998, the Commission granted a certificate of authority to PremierCom Inc., now known as Opex Communications Inc. (Opex) to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 98-463. Oregon telecommunications providers are required to provide requested information to the Commission. In January and February, 2001, Commission Staff requested information from Opex. The Commission's records indicated that the agency did not receive the requested information. At the April 17, 2001 public meeting, the Commission determined that Opex's certificate of authority should be canceled. Opex's certificate of authority was canceled in Order No. 01-386.

On May 24, 2001, Opex filed a request to suspend Order No. 01-386 claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that Opex filed the requested information on May 4, 2001.

The information sent by Opex to the Commission was late. However, the information has been received and it indicates Opex is providing telecommunications service in Oregon. Under the circumstances, the cancellation of Opex's certificate should be rescinded.

ORDER

IT IS ORDERED that Order No. 01-386 canceling the certificate of authority of Opex Communications Inc., is rescinded.

Made, entered, and effective _____.

Acting Director
Utility Program
