ORDER

DISPOSITION: CANCELLATION ORDER RESCINDED

On November 19, 2001, the Commission granted a certificate of authority to Resort Network Services LLC (RNS) to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 01-975. Oregon telecommunications providers are required to provide requested information to the Commission. After investigation, the Commission found that RNS failed to comply with Oregon Universal Service Fund requirements per ORS 759.425 and OAR 860-032-0008(2). At the March 21, 2002, public meeting, the Commission determined that RNS's certificate of authority should be canceled. RNS's certificate of authority was canceled in Order No. 02-206.

On April 5, 2002, RNS filed a request to suspend Order No. 02-206, claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that RNS filed the requested information on March 24, 2002.

The information sent by RNS to the Commission was late. However, the information has been received and it indicates RNS is providing telecommunications service in Oregon. Under the circumstances, the cancellation of RNS's certificate should be rescinded.

ORDER

IT IS ORDERED that Order No. 02-206 canceling the certificate of authority of Resort Network Services LLC, is rescinded.

Made, entered, and effective _____.
