ORDER

DISPOSITION: CANCELLATION ORDER RESCINDED

On January 9, 1991, the Commission granted a certificate of authority to QCC, Inc. (QCC) to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 91-16. Oregon telecommunications providers are required to provide requested information to the Commission. The Commission's records indicated that the agency did not receive the requested information. At the March 21, 2002, public meeting, the Commission determined that QCC's certificate of authority should be canceled. QCC's certificate of authority was canceled in Order No. 02-204.

On April 11, 2002, QCC filed a request to suspend Order No. 02-204, claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that QCC filed the requested information on April 15, 2002.

The information sent by QCC to the Commission was late. However, the information has been received and it indicates QCC is providing telecommunications service in Oregon. Under the circumstances, the cancellation of QCC's certificate should be rescinded.

ORDER

IT IS ORDERED that Order No. 02-204 canceling the certificate of authority of QCC, Inc., is rescinded.

Made, entered, and effective _____.
