ORDER

DISPOSITION: CANCELLATION ORDER RESCINDED

On September 19, 2001, the Commission granted a certificate of authority to IAG, Inc. (IAG) to provide telecommunications service in Oregon as a competitive provider. See Order No. 01-815. Oregon telecommunications providers are required to provide requested information to the Commission. The Commission's records indicated that the agency did not receive the requested information. At the March 21, 2002, public meeting, the Commission determined that IAG's certificate of authority should be canceled. IAG's certificate of authority was canceled in Order No. 02-202.

On April 18, 2002, IAG filed a request to suspend Order No. 02-202, claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that IAG filed the requested information on April 16, 2002.

The information sent by IAG to the Commission was late. However, the information has been received and it indicates IAG is providing telecommunications service in Oregon. Under the circumstances, the cancellation of IAG's certificate should be rescinded.

ORDER

IT IS ORDERED that Order No. 02-202 canceling the certificate of authority of IAG, Inc., is rescinded.

Made, entered, and effective _____.
