On May 20, 2002, the Commission issued Order No. 02-343 in this matter. On page four of the order, under the heading "Hermiston," is the following sentence: "The amount to be amortized (Oregon share) will be no more than \$3,372,257." This statement is not consistent with the parties' stipulation. To correct the error, the word "more" should be replaced with the word "less." The corrected sentence now reads: "The amount to be amortized (Oregon share) will be no less than \$3,372,257." The remainder of the order is unchanged.
