DISPOSITION: ORDER NO. 02-035 AMENDED

On January 15, 2002, the Commission issued Order No. 02-035 granting the application of Aldridge Ditch Company Water System for allocation of exclusive territory to provide water service. The order contained a legal description of the allocated territory.

On February 4, 2002, the Commission received a letter from a Watermaster for the area involved in the application pointing out an omission in the legal description. Aldridge Ditch did not dispute the assertion of the Watermaster.

It is appropriate that the legal description be corrected. We amend Order No. 02-035 to conform to the correct description.
