DISPOSITION: CANCELLATION ORDER RESCINDED

On October 9, 1998, the Commission granted a certificate of authority to United States Telecommunications Inc. (United) to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 98-415. Oregon telecommunications providers are required to provide requested information to the Commission. After investigation, the Commission found that United failed to file an annual report for the year 2001 as required by OAR 860-032-0060(2)(a). On May 23, and June 18, 2002, the Commission notified United that the report had not been received. At the July 23, 2002, public meeting, the Commission determined that United's certificate of authority should be canceled. United's certificate of authority was canceled in Order No. 02-509.

On August 27, 2002, United filed a request to suspend Order No. 02-509 claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that United filed the requested information on August 12, 2002.

The information sent by United to the Commission was late. However, the information has been received and it indicates United is providing telecommunications service in Oregon. Under the circumstances, the cancellation of United's certificate should be rescinded.

ORDER

IT IS ORDERED that Order No. 02-509 canceling the certificate of authority of United States Telecommunications Inc. is rescinded.

Made, entered, and effective _____.
