Direct Access Issues for Industrial and)	ORDER
Commercial Customers under SB 1149.)	

DISPOSITION: INVESTIGATION OPENED

On May 1, 2003, the Public Utility Commission of Oregon (Commission) opened an investigation to consider issues involving direct access for industrial and commercial customers under SB 1149. Specifically, the Commission wants interested persons to be involved in workshops/task groups to make recommendations to the Commission regarding direct access concerns. These concerns include the availability, clarity and timing of information, the declaration window, transition and ancillary service charges, incentives to switch, and electricity service supplier certification procedures.

ORDER

IT IS ORDERED that an investigation is opened into direct access issues for industrial and commercial customers under SB 1149, as described above.
