DISPOSITION: CANCELLATION ORDER RESCINDED

On June 25, 1997, the Commission granted a certificate of authority to Amcom LLC (Amcom) to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 97-245. Oregon telecommunications providers are required to provide requested information to the Commission. After investigation, the Commission found that Amcom failed to comply with Oregon Universal Service Fund requirements per ORS 759.425. At the April 15, 2003, public meeting, the Commission determined that Amcom's certificate of authority should be canceled. Amcom's certificate of authority was canceled in Order No. 03-256.

On May 7, 2003, Amcom filed a request to suspend Order No. 03-256, claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that Amcom filed the requested information on May 1, 2003.

The information sent by Amcom to the Commission was late. However, the information has been received and it indicates Amcom is providing telecommunications service in Oregon. Under the circumstances, the cancellation of Amcom's certificate should be rescinded.

ORDER

IT IS ORDERED that Order No. 03-256 canceling the certificate of authority of Amcom, LLC, is rescinded.

Made, entered, and effective _____.
