DISPOSITION: CERTIFICATE OF AUTHORITY CANCELLED

On July 6, 2001, America's Digital Satelite Telephone Inc. was granted a certificate of authority to provide telecommunications service in Oregon as a competitive provider. See Order No. 01-568.

In a letter dated June 3, 2003, Thomas Crowe, Attorney, informed the Commission that its client, America's Digital Satelite Telephone Inc., does not intend to exercise its authority to provide services under its Certificate of Authority in the state of Oregon. The company requested that its Certificate of Authority be cancelled. The company is reminded that because it had a Certificate of Authority in Oregon for one or more days in 2003, it is required to file a Form GRT and pay a minimum of \$100 for that year.

In view of the foregoing, the certificate of authority to provide telecommunications service in Oregon held by America's Digital Satelite Telephone Inc. should be cancelled.

IT IS ORDERED that the certificate of authority held by America's Digital Satelite Telephone Inc. is cancelled.
