DISPOSITION: CERTIFICATE OF AUTHORITY CANCELLED

On June 7, 1996, Ameritech Communications International Inc. ("ACII") was granted a certificate of authority to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 96-153.

In a letter dated July 14, 2003, Joe Carrisalez, Regulatory Executive Director on behalf of ACII, informed the Commission that ACII no longer provides local or long distance service in Oregon and requested that its certificate of authority be cancelled. The company is reminded that because it had a certificate of authority for one or more days in 2003, it is required to file a Form GRT and pay a minimum of \$100 for that year.

In view of the foregoing, the certificate of authority to provide telecommunications service in Oregon held by Ameritech Communications International Inc. should be cancelled.

IT IS ORDERED that the certificate of authority held by Ameritech Communications International Inc. is cancelled.
