DISPOSITION: CANCELLATION ORDER RESCINDED

On May 30, 2000, the Commission granted a certificate of authority to American Phone Services Corporation (APSC) to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 00-277. Oregon telecommunications providers are required to provide requested information to the Commission. After investigation, the Commission found that APSC failed to comply with Oregon Universal Service Fund requirements per ORS 759.425. At the January 20, 2004, public meeting, the Commission determined that APSC's certificate of authority should be canceled. APSC's certificate of authority was canceled in Order No. 04-072.

On March 4, 2004, APSC filed a request to suspend Order No. 04-072, claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that APSC filed the requested information on March 5, 2004.

The information sent by APSC to the Commission was late. However, the information has been received and it indicates APSC is providing telecommunications service in Oregon. Under the circumstances, the cancellation of APSC's certificate should be rescinded.

ORDER

IT IS ORDERED that Order No. 04-072 canceling the certificate of authority of American Phone Services Corporation, is rescinded.
