DISPOSITION: PROPOSED BUDGET FOR ISSUE FUND GRANT
APPROVED

On March 11, 2004, the Industrial Customers of Northwest Utilities (ICNU) filed a Notice of Intent to Request An Issue Fund Grant. ICNU served the notice on all persons on the then existing service list for the docket. Subsequently, on April 5, 2004, ICNU filed a proposed budget for an Issue Fund Grant in the amount of \$25,675.00. ICNU proposed that the grant be funded from the PacifiCorp Issue Fund Account. ICNU served the proposed budget on all parties to the docket. A copy of ICNU's proposed budget is attached as Appendix A.

No other party submitted a notice of intent to request an Issue Fund Grant. No party submitted comments on ICNU's proposed budget.

Discussion

The Intervenor Funding Agreement (IFA), approved by the Commission in Order No. 03-388, provides that precertified intervenors must submit a proposed issue fund budget to the Commission that contains, at a minimum, the following information:

- 1) A statement of the work to be performed;
- 2) A description of the areas to be investigated;
- 3) A description of the particular customer class(es) that will benefit from the intervenor's participation;
- 4) Identification of the specific fund accounts from which the intervenor is seeking monies; and
- 5) A budget showing estimated attorney, consultant and expert witness fees, which may include the cost for appropriate support staff and operations support.

Once the proposed budget is received, we decide whether Issue Fund Grants are available for use. We make these determinations based on the following factors:

- 1) Breadth and complexity of the issues;
- 2) Significance of policy issues;
- 3) Procedural schedule;
- 4) Dollar magnitude of the issues at stake;
- 5) Participation of other parties that adequately represent the interests of customers;
- 6) Amount of funds being provided by the applicant intervenor;
- 7) Qualifications and experience before the Commission;
- 8) Level of available funds; and
- 9) Other Eligible Proceedings in which intervenors may seek additional Issue Fund Grants from the same Fund account(s).

We have the authority to accept, deny or partially deny the request, and may place reasonable conditions on the grant.

ICNU's proposed budget includes the requisite information and reflects the current schedule adopted in this docket. In light of the issues being addressed, the complexity of the issues and the significant policy decisions to be made, ICNU's proposed budget should be approved.

ORDER

It is ordered that the Industrial Customers of Northwest Utilities' proposed budget for an Issue Fund Grant in the amount of \$25,675.00 is approved.
