ORDER

**DISPOSITION: CANCELLATION ORDER RESCINDED**

On June 11, 2003, the Commission granted a certificate of authority to Corban Communications Inc. (Corban) to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 03-360. Oregon telecommunications providers are required to provide requested information to the Commission. After investigation, the Commission found that Corban failed to comply with Oregon Universal Service Fund requirements per ORS 759.425. At the April 27, 2004, public meeting, the Commission determined that Corban's certificate of authority should be canceled. Corban's certificate of authority was canceled in Order No. 04-261.

On April 29, 2004, Corban filed a request to suspend Order No. 04-261, claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that Corban filed the requested information on April 26, 2004.

The information sent by Corban to the Commission was late. However, the information has been received and it indicates Corban is providing telecommunications service in Oregon. Under the circumstances, the cancellation of Corban's certificate should be rescinded.

**ORDER**

IT IS ORDERED that Order No. 04-261 canceling the certificate of authority of Corban Communications Inc., is rescinded.
