DISPOSITION: REAUTHORIZATION FOR DEFERRAL APPROVED

On May 20, 2004, Portland General Electric (PGE) requested reauthorization to defer costs related to Intervenor Funding Grants for later incorporation in rates. The Public Utility Commission of Oregon (Commission) originally authorized deferral of these costs beginning September 17, 2003. Pursuant to ORS 757.072(4) and ORS 757.259(3), the Commission shall allow a public utility that provides financial assistance to organizations representing broad customer interests to defer inclusion of such amounts in rates, if the public utility elects to do so. A description of the Intervenor Funding Agreement is contained in the Staff Report, attached as Appendix A, and incorporated by reference.

At its Public Meeting on June 22, 2004, the Commission adopted Staff's Recommendation and approved PGE's request for reauthorization for deferred costs related to Intervenor Funding Grants.
