**DISPOSITION: CANCELLATION ORDER RESCINDED**

On December 7, 2000, the Commission granted a certificate of authority to USA Digital Communications Inc. (USA) to provide telecommunications service in Oregon as a competitive provider. See Order No. 00-779. Oregon telecommunications providers are required to provide requested information to the Commission. After investigation, the Commission found that USA failed to comply with Oregon Universal Service Fund requirements per ORS 759.425. At the April 27, 2004, public meeting, the Commission determined that USA's certificate of authority should be canceled. USA's certificate of authority was canceled in Order No. 04-249.

On June 21, 2004, USA filed a request to suspend Order No. 04-249, claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that USA filed the requested information on June 21, 2004.

The information sent by USA to the Commission was late. However, the information has been received and it indicates USA is providing telecommunications service in Oregon. Under the circumstances, the cancellation of USA's certificate should be rescinded.

**ORDER**

IT IS ORDERED that Order No. 04-249 canceling the certificate of authority of USA Digital Communications Inc., is rescinded.
