DISPOSTION: APPLICATIONS WITHDRAWN; DOCKET CLOSED

This consolidated docket relates to filings by Beaver Creek Cooperative Telephone Company (BCT) and Qwest Corporation (Qwest). In a filing docketed as UM 1150, BCT seeks to abandon its billing and collection services. In a filing docketed as UM 1152, Qwest seeks a waiver of its intraLATA toll carrier obligations for the Beaver Creek telephone exchange. Due to the interrelated issues presented by both filings, the Administrative Law Judge consolidated both dockets for Commission review.

Shortly after consolidation of the two dockets, both BCT and Qwest withdrew their respective applications. This consolidated docket should be closed.
