**DISPOSITION: CANCELLATION ORDER RESCINDED**

On June 26, 2001, the Commission granted a certificate of authority to OnePoint Communications-Colorado LLC (OnePoint) to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 01-529. Oregon telecommunications providers are required to provide requested information to the Commission. After investigation, the Commission found that OnePoint failed to file an annual report and pay revenue fees for the year 2003 as required by OAR 860-032-0060(2)(a) and ORS 756.310, respectively. On April 15, and May 17, 2004, the Commission notified OnePoint that the report had not been received. On April 19, May 14, and June 15, 2004, the Commission notified OnePoint that the required fees were not received. At the July 20, 2004, public meeting, the Commission determined that OnePoint's certificate of authority should be canceled. OnePoint's certificate of authority was canceled in Order No. 04-452.

On August 30, 2004, OnePoint filed a request to suspend Order No. 04-452, claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that OnePoint filed the requested information and paid the required fees.

The information sent by OnePoint to the Commission was late. However, the information has been received and it indicates OnePoint is providing telecommunications service in Oregon. Under the circumstances, the cancellation of OnePoint's certificate should be rescinded.

**ORDER**

IT IS ORDERED that Order No. 04-452 canceling the certificate of authority of OnePoint Communications-Colorado LLC, is rescinded.
