Certificate of Authority Held by GOBEAM) ORDER
SERVICES INC.)

DISPOSITION: CERTIFICATE OF AUTHORITY CANCELLED

On March 30, 2001, GoBeam Services Inc. was granted a certificate of authority to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 01-260.

In a letter dated October 12, 2004, Karen Frame, Senior Counsel for Covad Communications Company, informed the Commission that the certificate of authority for its subsidiary, GoBeam Services, Inc., (GoBeam) should be cancelled. GoBeam no longer independently provides telecommunications services in Oregon. The company is reminded that because it had a certificate of authority in Oregon for one or more days during 2004, it is required to file a Form GRT and pay a minimum of \$100 for that year.

In view of the foregoing, the certificate of authority to provide telecommunications service in Oregon held by GoBeam Services Inc. should be cancelled.

IT IS ORDERED that the certificate of authority held by GoBeam Services Inc. is cancelled.
