**DISPOSITION: AMENDMENT APPROVED**

On January 10, 2005, United Communications, Inc., dba Unicom and Qwest Corporation filed a fourth amendment to the interconnection agreement and subsequent amendment previously approved by the Public Utility Commission of Oregon (Commission) in Orders No. 03-323, 04-123, and 05-025. A subsequent amendment was filed on August 18, 2004. The subsequent amendment was rejected in Order No. 04-663. The parties seek approval of the current amendment under Section 252(e) of the Telecommunications Act of 1996. The Commission provided notice by posting an electronic copy of the amendment on the World Wide Web, at: <http://www.puc.state.or.us/caragmnt/>. Only the Commission Staff (Staff) filed comments.

Qwest previously sought acknowledgement of the wholesale collocation promotion, under OAR 860-016-0021, in docket ARB 641. On November 30, 2004, the Commission acknowledged Qwest's promotion in Order No. 04-696.

When a carrier accepts a promotional offering, the accepting carrier and the offering carrier must file any required amendment to their existing carrier-to-carrier agreement. To qualify for expedited review under OAR 860-016-0021, the amendment must be identical to the promotion previously acknowledged by the Commission.

The Commission has reviewed the amendment under the standards set forth in OAR 860-016-0020 and Section 252(e) of the Telecommunications Act of 1996 and concludes that it should be approved.

**OPINION**

The Commission concludes that the amendment to the agreement adopting the promotion does not appear to discriminate against telecommunications carriers who are not parties to the agreement and does not appear to be inconsistent with the public interest, convenience, and necessity. Accordingly, the amendment should be approved.

**CONCLUSIONS**

1. There is no basis for finding that the amendment to the previously approved agreement discriminates against any telecommunications carrier who is not a party to the agreement.
2. There is no basis for finding that implementation of the amended agreement is not consistent with the public interest, convenience, and necessity.
3. The amendment should be approved.

**ORDER**

IT IS ORDERED that the amendment to the previously approved agreement between United Communications Inc., dba Unicom and Qwest Corporation is approved.
