

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

CP 428

In the Matter of the Cancellation of the)
Certificate of Authority Held by) ORDER
MARATHON COMMUNICATIONS INC.)

DISPOSITION: CERTIFICATE OF AUTHORITY CANCELLED

On May 4, 1998, Marathon Communications Inc. (Marathon) was granted a certificate of authority to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 98-186.

Marathon failed to file an Oregon Universal Service Fund Form 2 for the third quarter of 2004 as required per ORS 759.425.

ORS 756.515(4) provides that the Commission may, after investigation, but without hearing, make such findings and orders as deemed justified by the results of the investigation. In view of the foregoing, the Commission determined at its January 25, 2005, Public Meeting that the certificate holder has failed to comply with Commission rules and terms of the certificate. The certificate of authority to provide telecommunications service should be cancelled, per OAR 860-032-0008(2).

The Commission also concludes that it will not process a future application filed by the certificate holder for certification as a competitive provider, unless the certificate holder fully complies with Commission rules. Any future application must include:

1. Payment of all revenue fees, including late payment fees, owed for each calendar year of operation pursuant to ORS 756.310(6)(a), in accordance with Commission requirements;
2. Confirmation of compliance with Oregon Universal Service Fund requirements pursuant to ORS 759.425; and
3. Annual reports for each calendar year of operation pursuant to OAR 860-032-0060.

The certificate holder must include all fees and documents for each year of operation, regardless of whether it held a valid certificate of authority from this Commission. If the certificate holder fails to include these items with its application, the Commission will deem the application incomplete and return it.

IT IS ORDERED that the certificate of authority held by Marathon Communications Inc. is cancelled.

Made, entered, and effective FEB 01 2005.
