DISPOSITION: CANCELLATION ORDER RESCINDED

On August 6, 2003, the Commission granted a certificate of authority to Inmark Inc. (Inmark) to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 03-475. Oregon telecommunications providers are required to provide requested information to the Commission. After investigation, the Commission found that Inmark failed to comply with Oregon Universal Service Fund requirements per ORS 759.425. At the January 25, 2005, public meeting, the Commission determined that Inmark's certificate of authority should be canceled. Inmark's certificate of authority was canceled in Order No. 05-071.

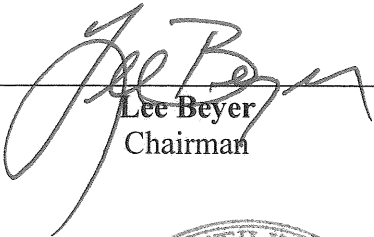

On February 10, 2005, Inmark filed a request to suspend Order No. 05-071, claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that Inmark filed the requested information.

The information sent by Inmark to the Commission was late. However, the information has been received and it indicates Inmark is providing telecommunications service in Oregon. Under the circumstances, the cancellation of Inmark's certificate should be rescinded.

ORDER

IT IS ORDERED that Order No. 05-071 canceling the certificate of authority of Inmark Inc., is rescinded.

Made, entered, and effective FEB 28 2005.
