Company's Oregon Annual Revenues.	)	

**DISPOSITION: ISSUE FUND GRANT REQUEST APPROVED**

On October 3, 2005, the Citizens' Utility Board (CUB) filed a Request for Payment of PacifiCorp's Issue Fund Grant with the Public Utility Commission of Oregon (Commission). In Order No. 05-096, the Commission previously approved CUB's budget for \$45,597. CUB now seeks payment of \$29,757.26 for eligible expenses it incurred in this proceeding. CUB explains that it was able to come in under budget for a variety of reasons, including the fact that the parties settled a number of issues in the rate case.

Section 7.3 of the Intervenor Funding Agreement (IFA), which the Commission adopted in Order No. 03-388, governs the procedures for payment of Issue Fund Grants. To be eligible to receive intervenor funding under the Agreement, an intervenor must become either precertified under section 5.2 of the Agreement or case certified under section 5.3 of the Agreement. CUB was automatically precertified for Issue Fund Grants under section 5.2(a) of the IFA.

Under section 7.3 of the IFA, the Request for Payment must:

- (1) Itemize the expenses, payees and hourly rates of amount to be reimbursed;
- (2) Demonstrate that the expenses are reasonable and are directly attributable to issues and positions pursued on behalf of a particular customer class and consistent with the intervenor's proposed budget; and
- (3) Provide information sufficient to show that the intervenor has complied with any conditions imposed on the Issue Fund Grant.

We find that CUB has met the requirements of the IFA, and its request should be approved. Section 7.2 of the IFA provides that the utility shall pay the Issue

Fund Grant to the requesting intervenor within 30 days after receipt of Commission directive.

The IFA also provides that the Commission shall make a determination in each proceeding as to how the participating utilities are to recover the funding grants from the various customer classes. Pursuant to Section 7.7(b), Issue Fund Grants should be allocated so as to fairly align the costs of the advocacy with the intended potential beneficiaries of the advocacy. We have considered the intended beneficiaries, and find that the issue fund expenditures should be allocated to PacifiCorp's residential customers.

**ORDER**

IT IS ORDERED that:

1. The Citizens' Utility Board has met the requirements of the Intervenor Funding Agreement, and its request is approved.
2. PacifiCorp shall pay \$29,757.26 from its Issue Fund to the Citizens' Utility Board within 30 days after receipt of this Order, and the grant shall be assessed to PacifiCorp's residential customers.

Made, entered, and effective                     OCT 05 2005                    .
