DISPOSITION: TARIFF WITHDRAWN; DOCKET CLOSED

On December 23, 2004, Cline Butte Utility Company (Company) filed tariff sheets in Advice No. 04-36, asking to increase its revenues by \$23,198 effective March 1, 2005. The matter came before the Public Utility Commission of Oregon (Commission) on January 25, 2005, at which time the Commission ordered a six-month suspension of the advice pending investigation into the propriety and reasonableness of the tariff sheets.

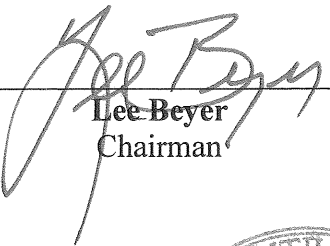

A public comment open house and prehearing conference were held on February 17, 2005, in Redmond, Oregon. A schedule for processing the docket was adopted during the conference. During the investigation, the Company realized that its requested revenue increase was insufficient to cover its total expenses.

On March 23, 2005, the Company filed a request to withdraw the tariff sheets, stating that it would file a new application in the near future. We will approve the Company's request.
