**DISPOSITION: RATE SCHEDULE SUSPENDED FOR AN
ADDITIONAL PERIOD OF TIME**

On May 18, 2004, Portland General Electric (PGE or Company) filed tariff sheets in Advice No. 04-11 to be effective July 1, 2004. On June 9, 2004, the Company requested an extension of the effective date to July 7, 2004.

At its July 6, 2004, public meeting, the Public Utility Commission of Oregon (Commission) found good and sufficient cause to investigate the propriety and reasonableness of the tariff sheets pursuant to ORS 757.210 and 757.215. On July 6, 2004, the Commission entered Order No. 04-373, suspending the rate schedule for a six-month period of time until January 6, 2005. On December 29, 2004, Order No. 04-760 extended the suspension, in order to accommodate amendments to the procedural schedule, until April 6, 2005.

The procedural schedule has been further modified and in a letter dated March 29, 2005, PGE notified the Commission that it waives the statutory suspension period pursuant to ORS 757.215(2). PGE agrees to a further suspension of Advice No. 04-11 through October 1, 2005.
