**DISPOSITION: CANCELLATION ORDER RESCINDED**

On September 29, 2003, the Commission granted a certificate of authority to Granite Telecommunications LLC (Granite) to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 03-585. Oregon telecommunications providers are required to provide requested information to the Commission. After investigation, the Commission found that Granite failed to comply with Oregon Universal Service Fund requirements per ORS 759.425. At the January 25, 2005, public meeting, the Commission determined that Granite's certificate of authority should be canceled. Granite's certificate of authority was canceled in Order No. 05-076.

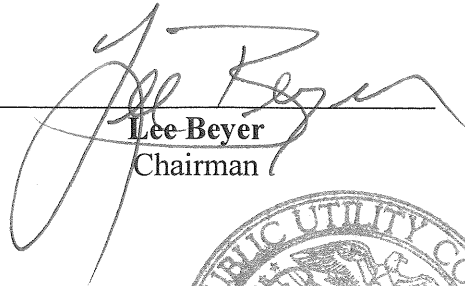

On February 28, 2005, Granite filed a request to suspend Order No. 05-076, claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that Granite filed the requested information.

The information sent by Granite to the Commission was late. However, the information has been received and it indicates Granite is providing telecommunications service in Oregon. Under the circumstances, the cancellation of Granite's certificate should be rescinded.

**ORDER**

IT IS ORDERED that Order No. 05-076 canceling the certificate of authority of Granite Telecommunications LLC, is rescinded.

Made, entered, and effective APR 28 2005.
