DISPOSITION: SUPPLEMENT TO ORDER NO. 05-191

In Order No. 05-191, issued on April 22, 2005, the Public Utility Commission of Oregon granted Associated Oregon Industries' (AOI) request for payment of Portland General Electric's Issue Fund Grant. On page 2, that order included the following language in the "ORDER" section:

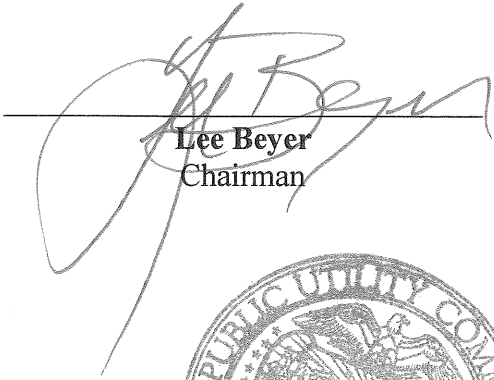

2. Portland General Electric Company shall pay \$51,712.15 from its Issue Fund Grant to Associated Oregon Industries within 30 days after receipt of this Order, and the grant shall be assessed to Portland General Electric's *industrial* customers. (Emphasis added).

The inclusion of the language "industrial" was in error. The Order should have read "...the grant shall be assessed to Portland General Electric's *commercial* customers." (Emphasis added). Accordingly, Order No. 05-191 is modified to remove any reference to the language cited above. The remainder of the order is unchanged.

ORDER

IT IS ORDERED that Order No. 05-191 is modified to delete the language "industrial" as set forth on page 2, and replaced with the language "commercial." The remainder of the order is unchanged.

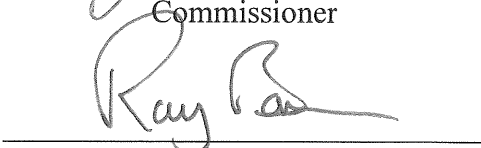

Made, entered, and effective MAY 10 2005 .
