DISPOSITION: CANCELLATION ORDER RESCINDED

On March 18, 2003, the Commission granted a certificate of authority to Consolidated Communications Operator Services Inc. (Consolidated) to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 03-162. Oregon telecommunications providers are required to provide requested information to the Commission. After investigation, the Commission found that Consolidated failed to comply with Oregon Universal Service Fund requirements per ORS 759.425. At the April 19, 2005, public meeting, the Commission determined that Consolidated's certificate of authority should be canceled. Consolidated's certificate of authority was canceled in Order No. 05-236.

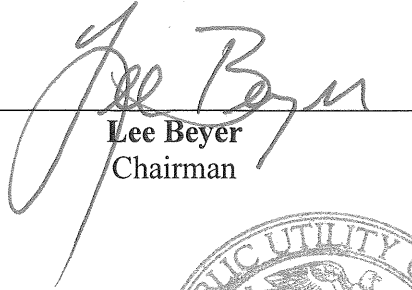

On May 16, 2005, Consolidated filed a request to suspend Order No. 05-236, claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that Consolidated filed the requested information.

The information sent by Consolidated to the Commission was late. However, the information has been received and it indicates Consolidated is providing telecommunications service in Oregon. Under the circumstances, the cancellation of Consolidated's certificate should be rescinded.

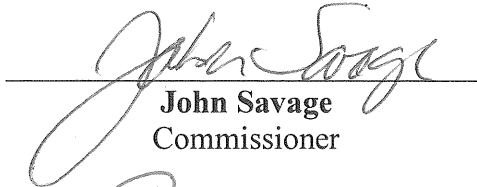

ORDER

IT IS ORDERED that Order No. 05-236 canceling the certificate of authority of Consolidated Communications Operator Services Inc. is rescinded.
