 Oregon and Classification as a Competitive )  
 Provider. )

ORDER

**DISPOSITION: CANCELLATION ORDER RESCINDED**

On March 27, 1992, the Commission granted a certificate of authority to Norstan Network Services Inc. (Norstan) to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 92-472. Oregon telecommunications providers are required to provide requested information to the Commission. After investigation, the Commission found that Norstan failed to comply with Oregon Universal Service Fund requirements per ORS 759.425. At the April 19, 2005, public meeting, the Commission determined that Norstan's certificate of authority should be canceled. Norstan's certificate of authority was canceled in Order No. 05-231.

On May 23, 2005, Norstan filed a request to suspend Order No. 05-231, claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that Norstan filed the requested information.

The information sent by Norstan to the Commission was late. However, the information has been received and it indicates Norstan is providing telecommunications service in Oregon. Under the circumstances, the cancellation of Norstan's certificate should be rescinded.

**ORDER**

IT IS ORDERED that Order No. 05-231 canceling the certificate of authority of Norstan Network Services Inc., is rescinded.

Made, entered, and effective JUN 08 2005.
