**DISPOSITION: CANCELLATION ORDER RESCINDED**

On February 8, 1994, the Commission granted a certificate of authority to Cincinnati Bell Any Distance Inc. (CBAD) to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 94-279. Oregon telecommunications providers are required to provide requested information to the Commission. After investigation, the Commission found that CBAD failed to comply with Oregon Universal Service Fund requirements per ORS 759.425. At the April 19, 2005, public meeting, the Commission determined that CBAD's certificate of authority should be canceled. CBAD's certificate of authority was canceled in Order No. 05-242.

On May 31, 2005, CBAD filed a request to suspend Order No. 05-242, claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that CBAD filed the requested information.

The information sent by CBAD to the Commission was late. However, the information has been received and it indicates CBAD is providing telecommunications service in Oregon. Under the circumstances, the cancellation of CBAD's certificate should be rescinded.

**ORDER**

IT IS ORDERED that Order No. 05-242 canceling the certificate of authority of Cincinnati Bell Any Distance Inc., is rescinded.

Made, entered, and effective JUN 17 2005.
