DISPOSITION: CANCELLATION ORDER RESCINDED

On March 13, 1998, the Commission granted a certificate of authority to Quantumshift Communications Inc. (Quantumshift) to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 98-096. Oregon telecommunications providers are required to provide requested information to the Commission. After investigation, the Commission found that Quantumshift failed to comply with Oregon Universal Service Fund requirements per ORS 759.425. At the April 19, 2005, public meeting, the Commission determined that Quantumshift's certificate of authority should be canceled. Quantumshift's certificate of authority was canceled in Order No. 05-246.

On May 27, 2005, Quantumshift filed a request to suspend Order No. 05-246 claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that Quantumshift filed the requested information.

The information sent by Quantumshift to the Commission was late. However, the information has been received and it indicates Quantumshift is providing telecommunications service in Oregon. Under the circumstances, the cancellation of Quantumshift's certificate should be rescinded.

ORDER

IT IS ORDERED that Order No. 05-246 canceling the certificate of authority of Quantumshift Communications Inc., is rescinded.

Made, entered, and effective JUN 17 2005.
