DISPOSITION: CANCELLATION ORDER RESCINDED

On September 15, 2004, the Commission granted a certificate of authority to Advance Tel Inc. (ATI) to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 04-531. Oregon telecommunications providers are required to provide requested information to the Commission. After investigation, the Commission found that ATI failed to file an annual report for the year 2004 as required by OAR 860-032-0060(2)(a). ATI failed to respond to the Commission's original request for the annual report, and to the second notification. At the August 2, 2005, public meeting, the Commission determined that ATI's certificate of authority should be canceled. ATI's certificate of authority was canceled in Order No. 05-905.

On August 18, 2005, ATI filed a request to suspend Order No. 05-905, claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that ATI filed the requested information.

The information sent by ATI to the Commission was late. However, the information has been received and it indicates ATI is providing telecommunications service in Oregon. Under the circumstances, the cancellation of ATI's certificate should be rescinded.

ORDER

IT IS ORDERED that Order No. 05-905 canceling the certificate of authority of Advance Tel Inc., is rescinded.

Made, entered, and effective AUG 30 2005.
