**DISPOSITION: TARIFF SHEETS SUSPENDED**

On January 20, 2006, PORTLAND GENERAL ELECTRIC filed tariff sheets in Advice No. 06-1 to be effective March 8, 2006. The terms of the proposed tariff sheets are set forth in the Staff Report dated February 8, 2006, attached as the Appendix to this order.

At its March 7, 2006, public meeting, the Public Utility Commission of Oregon found good and sufficient cause exists to investigate the propriety and reasonableness of the tariff sheets pursuant to ORS 757.210 and 757.215. The Commission ordered suspension of the advice pending that investigation.

IT IS ORDERED that Advice No. 06-1 filed by PORTLAND GENERAL ELECTRIC is suspended for a period of time not to exceed nine months from March 8, 2006, the effective date of the tariff sheets.

ITEM NO. 2

**PUBLIC UTILITY COMMISSION OF OREGON  
STAFF REPORT  
PUBLIC MEETING DATE: March 7, 2006**

REGULAR  CONSENT  EFFECTIVE DATE March 8, 2006

DATE: February 8, 2006

TO: Public Utility Commission

FROM: Judy Johnson *JJ*

THROUGH: *W* Lee Sparling and *EB* Ed Busch

SUBJECT: PORTLAND GENERAL ELECTRIC: (Docket No. UE 178/Advice No. 06-1) Establishes Schedule 140, Automatic Tax Adjustment.

**STAFF RECOMMENDATION:**

I recommend that the Commission suspend Portland General Electric's application for revised and new tariff schedules in Advice No. 06-1.

**DISCUSSION:**

On November 22, 2005, the Commission accepted Staff's recommendation that Portland General Electric (PGE) file an automatic adjustment clause tariff in compliance with the requirements of Senate Bill 408. This filing is in compliance with that requirement. There would be currently no rate effect for this filing. The rates are set to zero until the tax report for 2006 is filed in October of 2007.

Staff recommends the Commission suspend the tariffs for investigation. PGE, Staff and other parties are conducting workshops in Docket AR 499, which will implement permanent rules to implement SB 408. Suspending the tariffs will enable the Commission in AR 499 to thoroughly investigate and determine how an automatic adjustment clause should be calculated. The company's proposed tariffs contain definitions and terms that have not been agreed to by the AR 499 participants or adopted by the Commission.

ORS 757.215(1) allows the Commission to suspend the proposed tariffs an additional three months if it finds the investigation will not be completed by the end of the initial six-month suspension period. Due to the complexity of the issues, Staff believes there is sufficient cause for the Commission to determine that the investigation cannot be

completed within the initial suspension period, and the additional three-month suspension should be approved at this time.

**PROPOSED COMMISSION MOTION:**

Portland General Electric's application for revised and new tariff schedules in Advice No. 06-1 (UE 178), with a proposed effective date of March 8, 2006, be suspended for nine months.
