ORDER

**DISPOSITION: CANCELLATION ORDER RESCINDED**

On December 20, 1991, the Commission granted a certificate of authority to Global Telcoin Inc. to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 91-1782. The company later changed its name to Global Tel\*Link Corporation (Global). Oregon telecommunications providers are required to provide requested information to the Commission. After investigation, the Commission found that Global failed to comply with Oregon Universal Service Fund requirements per ORS 759.425. At the December 20, 2005, public meeting, the Commission determined that Global's certificate of authority should be canceled. Global's certificate of authority was canceled in Order No. 05-1267.

On February 14, 2006, Global filed a request to suspend Order No. 05-1267, claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that Global filed the requested information.

The information sent by Global to the Commission was late. However, the information has been received and it indicates Global is providing telecommunications service in Oregon. Under the circumstances, the cancellation of Global's certificate should be rescinded.

**ORDER**

IT IS ORDERED that Order No. 05-1267 canceling the certificate of authority of Global Tel\*Link Corporation is rescinded.

Made, entered, and effective MAR 13 2006.
