**DISPOSITION: RATE SCHEDULES SUSPENDED FOR
ADDITIONAL PERIOD OF TIME**

On October 31, 2005, RL Water, LLC, filed revised rate schedules in Advice No. 05-39 to be effective on November 30, 2005. The terms of the proposed schedules were set forth in a Staff Report dated November 15, 2005.

At its November 22, 2005, Public Meeting, the Commission found good and sufficient cause exists to investigate the propriety and reasonableness of the rates pursuant to ORS 757.210 and 757.215. The Commission ordered suspension of the advice pending that investigation. On November 25, 2005, the Commission issued Order No. 05-1226, suspending Advice No. 05-39 for a six-month period of time.

On March 14, 2006, Staff filed a motion to extend the current tariff suspension date by an additional three months, stating that it needs additional time to complete its investigation. RL Water, LLC, does not oppose the request.

The Commission will not have an opportunity to complete its investigation in this case prior to the expiration of the initial suspension period. Accordingly, the suspension should be extended for an additional period not exceeding three months pursuant to ORS 757.215(1).

ORDER

IT IS ORDERED that Advice No. 05-39 filed by RL Water, LLC, on October 31, 2005, is suspended for an additional period of not more than three months beyond the last day of the initial suspension period set forth in Order No. 05-1226.
