ORDER

DISPOSITION: DOCKET CLOSED

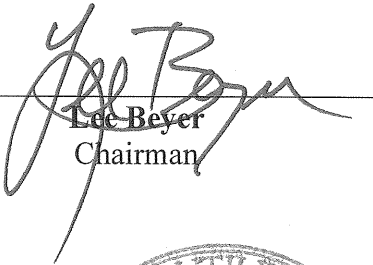

In March 2000, Portland General Electric Company (PGE) filed this application seeking approval to enter into a Master Services Agreement (MSA) with Enron and other affiliates. Although the application was officially docketed in May 2000, the Commission took no formal action on the filing. Despite this fact, PGE appears to have complied with terms contained in the MSA and filed appropriate updates with the Commission Staff based on changes to PGE's affiliate structure.

On April 28, 2006, the Commission notified PGE of its intention to close this docket. In light of the recent approval of applications allowing PGE to become a stand-alone utility, the Commission noted that the MSA appears to have been rendered moot and that no reason exists to keep this docket open. On May 3, 2006, PGE informed the Commission that it does not object to the closing of the docket.
