DISPOSITION: APPLICATION WITHDRAWN; DOCKET CLOSED

On September 11, 2006, PacifiCorp submitted a notice of withdrawal of its application requesting an order approving an automatic adjustment clause related to net power costs. PacifiCorp had originally filed its application and proposed Schedule 99 on April 15, 2005. On May 3, 2006, however, an Administrative Law Judge granted PacifiCorp's request to hold this docket in abeyance pending possible resolution of this matter with other parties.

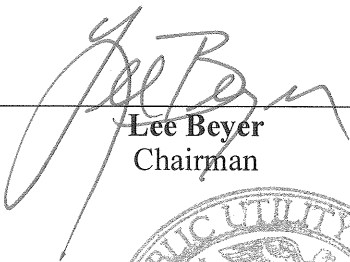

PacifiCorp indicates that it was not able to resolve this matter with other parties. Nonetheless, PacifiCorp has decided to withdraw its application based on additional feedback provided by the parties in this docket, as well as the Commission's recent action in instituting an investigation into performance-based ratemaking mechanisms. While substantial work had been completed on the docket, PacifiCorp believes that all parties will be better served by the withdrawal of the pending application at this time.

ORDER

IT IS ORDERED that:

1. PacifiCorp's application for an automatic adjustment clause related to power costs and proposed Schedule 99 has been withdrawn.
2. Docket UE 173 is closed.

Made, entered and effective SEP 21 2006.
