DISPOSITION: CANCELLATION ORDER RESCINDED

On February 5, 2002, the Commission granted a certificate of authority to Morrow Development Corp. (Morrow) to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 02-074. Oregon telecommunications providers are required to pay annual revenue fees to the Commission. After investigation, the Commission found that Morrow failed to pay the late statement penalty as required in ORS 756.310. On May 15, and July 7, 2006, the Commission notified the certificate holder that the required penalties were not received. At the July 27, 2006, public meeting, the Commission determined that Morrow's certificate of authority should be canceled. Morrow's certificate of authority was canceled in Order No. 06-490.

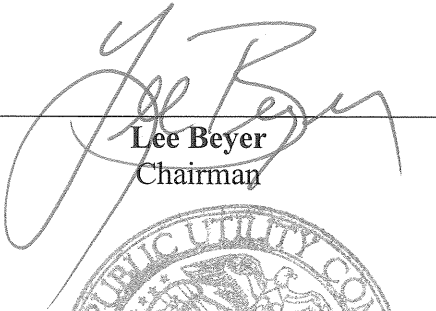

On August 30, 2006, Morrow filed a request to suspend Order No. 06-490, claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that Morrow paid the requested fees.

The fees sent by Morrow to the Commission were late. However, the fees have been received and indicate Morrow is providing telecommunications service in Oregon. Under the circumstances, the cancellation of Morrow's certificate should be rescinded.

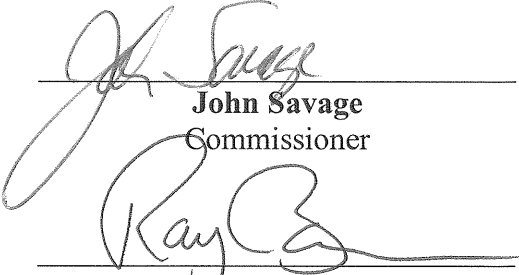

ORDER

IT IS ORDERED that Order No. 06-490 canceling the certificate of authority of Morrow Development Corp., is rescinded.

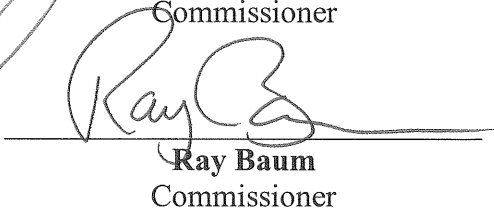

Made, entered, and effective SEP 21 2006.
